### SPECIAL MEETING OF RAILWAY COMMISSION

Complaint Filed With the I. C. C. for  
Adjustment of Rate Between  
Kinsley, Kas., and Clifton,  
Ariz.

The Arizona railway commission held a special meeting yesterday, all members being present. The chairman, W. P. McNair of Douglas, and the attorney, George J. Stoneman, arrived on the morning train. Mr. Stoneman returned to his home in Globe last night. Mr. McNair will remain until this evening. The purpose of the meeting was to discuss complaints that have been filed with the interstate commerce commission and others that are being prepared for filing.

The Becker Franz company of Clifton some weeks ago filed a complaint with the commission against the railroad companies interested in the shipment of flour and meal from Kinsley, Kansas, to Clifton, alleging that the through rate under which the shipments moved, was higher than the combined local rates between the same points. The commission took the matter up with the carriers, but was unsuccessful in procuring a proper adjustment of the rate and filed a complaint with the interstate commerce commission on the 15th, as follows:

BEFORE THE INTERSTATE COMMERCE COMMISSION.

The Arizona Railway Commission against The Atchison, Topeka & Santa Fe Railway company, El Paso & Southwestern Railroad company, Lordsburg & Hachita Railway company, and Arizona & New Mexico Railway company. The petition of the above-named complainant respectfully shows:

1.—That complainant, established by the laws of the territory of Arizona, has its office in the city of Phoenix, the capital of said territory, and files this petition under section 13 of the act to regulate commerce, approved February 4, 1887, as amended to June 18, 1910, in behalf of The Becker Franz company of Clifton, Arizona.

2.—That the defendants above named are common carriers engaged in the transportation of properties by continuous carriage or shipment, wholly by railroad between points in the states of Kansas, Colorado, Oklahoma, Missouri and Nebraska, and points in the territory of Arizona, and as such common carriers are subject to the provisions of the act to regulate commerce, approved February 4, 1887, and acts amendatory thereof or supplementary thereto.

3.—That the defendants have in force and do now maintain in Santa Fe system tariff No. 6396-C, I. C. C. No. 4769, effective May 30, 1909, through carload rates on cereal products from group points 1, 2 and 3 named therein, to Clifton, Arizona, which rates are cents per 100 pounds higher than the combinations of the rates named in the same tariff to Lordsburg, N. M., added to the local rate thence to Clifton, as named in Arizona & New Mexico Railway company's local freight tariff No. 16, effective January 1, 1910, as shown in the following tables:

From and to other points named in item 50 of supplement No. 6 to tariff, straight or mixed carloads:

—From—  
Gp 1 Gp 2 Gp 3  
To Lordsburg ..... \$ .91 \$ .88½ \$ .84  
Lordsburg to Clifton. .33 .33 .33

Through combination \$1.24 \$1.21½ \$1.17  
Through rate ..... 1.31 1.28½ 1.24

Difference ..... \$ .07 \$ .07 \$ .07  
Flour and corn meal, straight or mixed carloads:

—From—  
Gp 1 Gp 2 Gp 3  
To Lordsburg ..... \$ .55 \$ .52½ \$ .49  
Lordsburg to Clifton. .33 .33 .33

Through combination \$1.08 \$1.05½ \$1.02  
Through rate ..... 1.15 1.12½ 1.10

Difference ..... \$ .07 \$ .07 \$ .07  
4.—That the through rates and charges to Clifton, Arizona, are unjust, unreasonable and excessive, and should not exceed the sums of the rates to Lordsburg and thence to Clifton.

5.—That by reason of the facts herein set forth, the defendants have been and are now subjecting the merchants of Clifton, Arizona, to unjust and unreasonable charges for the transportation of property as above described, and to unjust discrimination and undue and unreasonable prejudice and disadvantage, all of which is in violation of the act to regulate commerce as amended, and more particularly sections 1 and 3 thereof.

6.—That the Becker Franz company, wholesale and retail dealers in general merchandise, of Clifton, Arizona, received a mixed car of flour and meal on March 19, 1910, which shipment originated at Kinsley and St. John, Kansas, was milled in transit at Lamar, Colorado, as authorized in Santa Fe system circular No. 2047-E, I. C. C. No. 5104, effective February 1, 1910, and forwarded thence to Clifton, Arizona, (routed via the A. T. & S. F. Ry. to Deming, N. M., E. P. & S. W. R. R. to Hachita, N. M., L. & H. Ry. to Lordsburg and A. & N. M. Ry. to destination). That the shipment in question weighed 30,240 pounds, and freight charges were assessed and collected thereon at the through rate of \$1.10 per 100 pounds, the said freight charges amounting to \$332.65. That the total charges on this shipment should not have exceeded \$311.49, figured at the through combination rate of \$1.03 per 100 pounds.

Wherefore the petitioner prays that the defendants may be required to answer the charges herein, and after due hearing and investigation, an order be made commanding the defendants to cease and desist from said violations of the act to regulate commerce, and that defendants be required to establish through rates on cereal products from the group points designated therein to Clifton, Arizona, not exceeding the Lordsburg combinations. And that a further order be entered requiring defendants to make reparation to The Becker Franz company of Clifton, Arizona, in the sum of \$21.17, that being the amount collected on the shipment referred to above, in excess of the Lordsburg combination.
